To be returned to Mr. Tiago Pita by March 25th at the latest.

Note:

In principle, it is not possible to change an option, advanced course or complementary course after the definitive choice (on this form).

- a) *In exceptional cases, the school may allow a change only if the change does not lead to any modifications in the organization of these course; that is to say, if the change is made for a course that already exists. The request for a change of course must be made in writing, signed by the parent(s) and justified in terms of the future higher education plans of the pupil.*
- b) ***Under no conditions can a pupil abandon*** at the beginning of the 6th year the choice of a course that was created at the limit of the required number of participants.
- c) *Absolutely no change of course will be allowed after Friday 13.09.19*

As I have chosen more than 35 periods, I ask the authorization of the Principal of the School, in order to follow the courses selected.
