Subject: Oral school reports

Dear Parents,

Your children's **Oral School Reports** will take place on **Wednesday, November 13.**

The teachers will meet parents individually to discuss the **Cross-Curricular Skills** page of the school report. I would like to remind you that time restrictions mean that the purpose of this appointment is not a wide-ranging evaluation of your child's progress. It will be necessary for you to make an appointment on another day for this.

Your signature of attendance at this meeting, forms an obligatory part of yours child's final school report.

The **Primary and Early Education** pupils will have no classes on the day, **nor will there be After-school Activities.** Secondary pupils will have their classes as usual.

AUCA, the company which organizes extra-curricular activities in collaboration with AMPA will provide a supervision service, on the school premises, for children **while their parents are in the meetings.** It is not necessary to reserve a place for your children. All the teachers will arrange the timetable of visits for their class via the agenda and/or email.

The teachers of Language I (SWALS), Language II, Learning Support, Physical Education, Religion and Music will also be available to take appointments if you wish. Please contact them directly.

Warm regards,

Director,
Early Education and Primary, European School, Alicante.
