

## AUTHORIZATION OF PUPILS' IMAGES

We ask for the corresponding permission to use the data of the child in your care for a specific purpose: photographs of the Ceremony of the European Baccalaureate diplomas 2021. These images will be made available to all parents and students of Year 7, through a link to a shared folder available for digital download.

If you do not approve of this consent, and for reasons of protecting the rest of the students, only your child's photos will be sent to you alone. You will not have access to the rest of the photographs from the Celebration.

You can find out what information we have about your child, rectify it, delete it or request the transfer of the same to another entity. To do this, go to: EUROPEAN SCHOOL OF ALICANTE, with address at Avda. Locutor Vicente Hipólito, S/N, CP 03540, Playa de San Juan - Alicante (Alicante), attaching a photocopy of your ID.

You can contact our Data Protection Officer via the following email: [ALI-DPO-CORRESPONDENT@eursc.eu](mailto:ALI-DPO-CORRESPONDENT@eursc.eu)

You may withdraw this consent at any time. If in the future you withdraw this consent, the treatment until then developed will continue to be considered lawful, since until then there would have been a permit on your part that has allowed us to act in this regard.

Note.- We remind you that you CANNOT use or download images in which the child or yourself are not present. You must respond to the interested parties and to the Spanish Data Protection Agency in case of non-compliance. On the other hand, we inform you that the ceremony will be broadcast live via a private link on the Youtube platform, which you will receive in advance.
