**THE EUROPEAN SCHOOL OF ALICANTE
IS LOOKING TO RECRUIT FOR SCHOOL YEAR 2021-2022**

**School Psychologist (part-time 50%)
Starting from the 10.01.2022**

Job offer

The European School (ES) Alicante is looking for a part-time (50%) School Psychologist to join the team at ES, Alicante.

Starting date: 10.01.2022

Type of contract: indefinite contract

Salary: initial gross salary 2.012 €/month (extra payments included).

Principal tasks

The school psychologist's responsibilities involve an active participation in the care team (situations of socio-emotional, behavior and academic challenges, mental health issues and threats to individual and collective well-being) and in the Educational Support team. The school psychologist will work with all members of school community as a professional advisor, as an active agent of inclusion, in the prevention of risk behavior and school violence and in the promotion of well-being.

The psychologist's tasks in the area of well-being will be the following:

- Counselling to parents and pupils in socio-emotional issues;
- Counselling to school staff related to pupils' socio-emotional issues;
- Supporting individual/groups of pupils – consultation, assessment, guidance;
- Promoting activities related to pupils' mental health;
- Intervening in the management of individual pupil or/and school crisis related to well-being and mental health.

The psychologist's tasks in the area of Educational Support will be the following:

- Identification/assessment and prevention of pupils' learning difficulties;
- Contribute to design and implement a systems of early identification (including performing/interpreting intelligence tests, screening/testing/ diagnostic of pupils' abilities and needs);
- Establishing contact with the national/regional resources centers in the area of special educational needs/inclusive education;
- Ensure the link with external experts that work with the pupils;
- Advising/training teachers and support staff (teachers and assistants) in the promotion of accessible learning environments and the development of support strategies;
- Working individually with the pupils and parents, upon request from the Management;
- Participation in the Support Advisory Group Councils.

Profile

- Team spirit
- Analytical skills: able to examine the collected information and draw logical conclusions from them
- Communication skills: much time will be spent listening to and speaking different School Community members
- Observational skills: able to watch people and understand the possible meanings of people's facial expressions, body positions, actions, and interactions
- Patience: dealing with situations may take a long time; able to deal with people who have mental or behavioral disorders
- People skills: able to work well with people
- Problem-solving skills: help to find solutions
- Confidentiality
- IT skills

Requirements

- University degree in psychology or psychopedagogy
- Minimum 2 years of experience working with children
- Very good knowledge of Spanish and English, equivalent to C1 level, both written and spoken

Assets

- Experience in the educational field, preferably in a school with children and teenagers
- Certified competence in French and/or German first and any other official EU language, then
- Longer relevant experience
- Quality of communication
- Organisation skills
