Communication

School Management System

School Management System (SMS) is a tool common to all the European Schools which enables an email communication and provides access to system announcements on the home page.

Parents can view their children's schedule online, teacher's list, absences of pupils, delays of pupils, school reports, teacher's e-mail contact, etc.

It is therefore vital that parents consult the portal regularly.

This program may be accessed via the following link: <https://sms.eursec.eu/> (also from the school website) with a username and personal password, provided by the School at the beginning of the first school year at school.

Communication with all parents

Most communications to the parents are sent by the School using SMS.

School reports (to be downloaded from SMS)

Nursery School: an oral communication day in November when pupils will have no lessons + portfolio hand-out in July.

Primary School: Twice a year (February and July) + an oral communication day in November when pupils will have no lessons.

Secondary School: Four times a year

- November: Autumn report containing information with comments.
- January: 1st Semester's report with the decision of the Class Council where appropriate.
- March/April: Spring report containing comments and marks and indicating the risk of repeating the year, if applicable.
- July: End of year report with the decision regarding promotion to the next class.

Parents/legal representatives will be informed by SMS of the date when school reports are to be published for consultation from the system itself.

Microsoft Office 365 - TEAMS

Office 365 is the official distance communication platform of the European Schools. TEAMS is the tool used for distance classes, works, homework and online activities.
