Dear families,

Below you have all the pertinent information for registering for the dining service at the European School.

To register for the SCHOOL CANTEEN you must access this link <https://forms.gle/fC4KjDHgHX6kX65e8> and fill out all the information, then you must download the SEPA document attached to this email. Said document must be delivered by email to admin_alicante@ausolan.com

It is necessary to send proof of membership to the AMPA to benefit from the discount.

We give **students who bring food from home** the benefit of being able to enjoy the patio fruit service, in addition to the service in the school canteen (hygiene and monitoring, use of dining room utensils, napkins, water, etc.) for the **monthly price of €7.30**.

Students who are already enrolled in the **FULL-TIME EL FARO post-school service** must enroll in the school canteen service for 3 days. These students have Wednesday and Friday meals included in their FARO fee. **When registering you must select only 3 days a week: Monday, Tuesday and Thursday.**

Those students who are going to attend **extracurricular activities** must register for the days that are necessary. If you still do not know which days exactly you will need the service, you can register for the long days and, later, make the appropriate change.

Exchange students

For exchange students we have a special pre-registration form <https://forms.gle/jLC6hRiTbXyJz2kA9>. Payments for the service for these students will be by bank transfer. Once registered, you will be informed of your bank details and instructions for doing so.

MENU ADAPTATION FOR ALLERGIES

These students will register like the others, choosing the type of menu “**menu adapted for intolerances or allergies**”. Once registration has been completed, you must send an email to admin_alicante@ausolan.com indicating in the subject “**MENU ADAPTATION FOR INTOLERANCES/ALLERGIES**” to request your son/daughter's diner form.

Secondary school students mark their attendance at the canteen using an access card, the use of which is MANDATORY, all new secondary school students must request theirs on the first day of school. Other students must bring the card from the previous course and use it from the first day. If you do not have it, you must request it and pay a deposit of €20 (it will be charged to the bank). This deposit will be returned at the end of the course if the card is returned. If you lose the card, you will lose the deposit.

The documents will be registered in order of arrival. If any data or document is missing, we will contact you.
