Note 1. Due to the practical nature of Physical Education, students are required to complete a practical B exam at the end of each content block taught during each semester. Therefore, B assessment in Physical Education takes place throughout the semester rather than on a single specific B-exam date (interpretation of point 5. "Assessment" of Physical Education Syllabus - Secondary cycle. 2018).

Note 2. Teachers will inform students/families the specific details for each exam, serving as a reminder of the date, time, and location, in due course.
