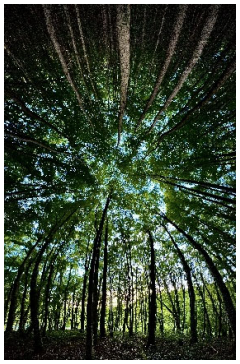
MATHEMATICAL PHOTOGRAPHY COMPETITION

EUROPEAN SCHOOL OF ALICANTE



RULES OF THE COMPETITION

1. ELIGIBILITY:

*The competition is open to **all students** currently enrolled in secondary education **from S1 to S7 (Years 1 to 7)** at the European School of Alicante.*

2. CATEGORIES:

- ***Category "A": S1**, **S2** and **S3** students.*
- ***Category "B": S4**, **S5**, **S6** and **S7** students.*

3. DEADLINE:

- ***Submission period:** Entries may be submitted starting today.*
- *The **DEADLINE** for submissions is **February 1st, 2027**.*
- ***Quantity:** A maximum of **two photographs per student** may be submitted.*

4. PHOTO SPECIFICACIONS:

1) ***Support**: The photographs must be presented in **digital support**.*
2) ***Identification**: Each photo must have a **TITLE** and be accompanied by a **TEXT** (maximum 10 lines) **explaining its mathematical concept or interest**.*
3) ***Quality**: Photos must have **SUFFICIENT** resolution to allow printing on paper in A4 size.*
4) ***Editing:** Only minor **adjustments** to brightness, sharpness, colour, rotation, and flipping are permitted. **Photo montages and collages are strictly prohibited**. Photos should **not contain visible advertising** (otherwise, it may be blurred or masked).*
5) ***Usage Rights**: By entering the competition, students authorize the European School of Alicante to make **responsible, non-commercial use** of the submitted photographs.*
6) ***Originality:** Only **original photos** taken by the students will be accepted. Third-party work and **AI-generated images** are strictly forbidden.*

5. PRIZES:

***Three prizes will be awarded per category**. The jury reserves the right to declare any prize void if deemed necessary. Winners will also receive a certificate of achievement.*
*The jury's decision will be final and will be announced **during May 2027**.*
